Street Sweeping

There are 297 street miles within the City. Residential streets are swept four times a year while collector and arterials are cleaned twenty-four times. The business district streets and avenues are cleaned daily.

Residents are advised to keep the curb area in front of their residence free from obstacles and parked cars during the days of scheduled street sweeping service. Schedules are posted in the Great Falls Tribune and affected areas are signed on the day the street sweeping is done.

For Street Maintenance Questions or to Report a Street Problem: Call the PAR-TNER line at (406) 727-8637, the Public Works Operations Office at (406) 771-1401, or fill out the Street Maintenance Notification Form online.

To contact the Street Division Supervisor Jim Turnbow call (406) 771-1401.
