## Leaf Removal

Leaf removal within the Boulevard District takes place annually during the months of October and November.

- Homeowners are responsible for raking their leaves into the boulevard prior to their scheduled leaf pickup day
  - Please not into the street; rain and vehicles driving on piles make it impossible to pick up the leaves
- Branches, grass clippings, garden waste and other yard waste will not be picked up
- City Street Department will be sweeping streets in conjunction with leaf pick up

All other areas within the City limits are the responsibility of each property owner for leaf removal.
