Water Service Line Size (inches)	Single Family Residential	Commercial & Multi Family Units
10"		\$19,409
12"		\$27,004

Fee is IN ADDITION TO the Inspection Fee, and is for connection of service line to sewer line, which does not include installation.

There is no fee for STORM SEWER connection.

Where one meter serves one multi-purpose development, either mobile home, multiple family housing units, local business, commercial, industrial, residential use zones or variances, the connection charge will be based on the size of the water tap.

If there is no water tap, the charge will be based on the sewage being discharged at the same ratio as for other sewer connections.
