

Regional Training Facility - 1900 9th Street South

The Charles C. Carrico Regional Training Facility is a nearly 10 acre site that offers a wide variety of training opportunities for numerous agencies.

The facility offers props for live fire training, search and rescue, multi story fire operations, flat and pitched roof props, hazardous material training, an obstacle course, a large garage area and a large classroom equipped with the latest audio visual equipment.

In addition to fire training, the facility can accomodate: Law Enforcement, Homeland Security, EMS, Hazardous Materials, Utilities and Mechanical/Automotive.

The training center is available for rent in its entirety or just the classroom space.

Please contact (406) 727-8070 to inquire about facility rental.
