

## Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) Grant Programs

The City of Great Falls has programs available through the Planning and Community Development Department which are designed to meet housing and community development needs.

These programs are federally funded through the Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) grant funds which are provided through the U.S. Department of Housing and Urban Development.

See the links at the right side for information regarding specific grant programs and related subjects.
