

Housing Authority Officer

Currently, we have one officer assigned to the Great Falls Housing Authority. This officer work closely with residents in seven subsidized housing areas within the city and address problems, concerns, and criminal complaints in these areas. The Housing Authority officer investigates criminal, drug, and traffic complaints within the five housing areas. The officer attends meetings with Housing Authority staff and residents as needed. Listed below are some of the duties of the Housing Authority officer:

- Investigate criminal, drug, and traffic complaints
- Attend administrative hearings for evictions and provides input as needed
- Perform background checks for applicants to the subsidized housing areas
- Maintain a good working relationship with Housing Authority staff and residents
- Gather and analyze statistical data to look at crime trends and work on developing programs that reduce the crime rates
- Perform follow-up investigations as needed
- Prepare written reports and other documentation as required
