

Comprehensive Annual Financial Report (CAFR)

Comprehensive Annual Financial Report (CAFR) is now Available

The Comprehensive Annual Financial Report (CAFR) is a complete review of the City's financial position for a given year. The CAFR is a financial report that contains, at a minimum, three sections: 1) introductory, 2) financial, and 3) statistical, and whose financial section provides information on each individual fund and component unit.

The City Commission accepted the FY 2013-2014 CAFR during the December 16, 2014 Commission Meeting. A copy of the FY 2013-2014 CAFR can be found below.

Please Note: Each year's CAFR describes what happened financially within the City for that fiscal year and is a statement of the City's position at one point in time (the date of the independent auditor's report). Therefore, the information in the CAFR has not been updated for developments subsequent to the date of the independent auditor's report.
