

## Mansfield Convention Center

The Mansfield Convention Center is an ideal venue for conventions, trade shows, meetings, concerts, fundraisers, banquets and wedding receptions – perfect for events that bring people together. We invite you to explore these pages to learn about hosting an event at our location and visiting the beautiful city of Great Falls.

The venue is an anchor of downtown Great Falls across the street from banks, restaurants, hotels, shopping and business amenities as well as minutes away from an international airport.

The 15,300 square feet offers three foyer areas; a kitchen; concession room; restrooms and a mezzanine area. The floor space may be divided using moveable panels or pipe and drape making it highly adaptable for users.

For warm weather events, the Center is flanked by two lush parks. The parks may be rented by contacting the Great Falls Parks and Recreation Department, 406-771-1265. The load-in doors on the building's west side allow vehicles to unload right into the facility and on to the concrete floor. There are also five other rooms in the Mansfield Center for the Performing Arts.

The fees at the Mansfield Center for the Performing Arts are set by the City Commission and administered equitably to all users. The convention center is operated by the City of Great Falls and rented through the Mansfield Events Office. The Events Office provides services – from setup and teardown to backstage technical staff, equipment and a staff person on-site during the event. Services also include a professional box office, high speed internet access and a bonded staff to sell merchandise.
