## Skate Park

### Free Admission

Great Falls has become the envy of skateboarders across Montana. The 27,000 square foot Riverside Railyard is considered one of the top five skate parks in the Pacific Northwest. Skaters come from all over the western half of the United States to try their skills at the park. The park features a series of bowls, including one with a nine foot depth, a full pipe, half pipes, a clamshell and a street course with ledges, grind rails, grind boxes and steps. Best of all, it's free for all skateboarders, inline skaters and roller skaters.

### Directions to Riverside Railyard

Riverside Railyard is located at 500 River Drive North in Great Falls. Directions: from Interstate 15, take the Central Avenue West exit; travel east on Central Avenue West until the light at River Drive (east end of the bridge); turn left on River Drive; follow River Drive for approximately 4 blocks; Riverside Railyard is on the right.
