

Courtesy Parking Program

This parking program allows thirty (30) minutes of free parking for downtown visitors and shoppers and is sponsored by downtown businesses. For an annual fee, a business is allowed to have the meter removed and a "Courtesy Parking" sign installed. The "courtesy" stalls are intended exclusively for patrons. Downtown business owners and/or employees cannot use the spaces. Exceeding the 30-minute time limit is a common violation and will result in the vehicle operator being cited for a sign violation.

A "Courtesy Parking Sponsorship Agreement" is attached below under "Supporting Documents."
