

## STEAM Expo - Earth Day 2015 Celebration

The City of Great Falls is once again partnering with Great Falls Public Schools, Pacific Steel & Recycling, GF Tribune, Junior League of Great Falls, Malmstrom AFB, Citizen's for Clean Energy and Montana Waste Systems, Inc. to bring the STEAM Expo - Earth Day 2015 Celebration to the Great Falls area.

**April 11, 2015**

**Great Falls High School Fieldhouse**

**10:00 AM - 2:00 PM**

We can use this event to look forward to Earth Day on April 22, 2015 and Arbor Day on April 24, 2015. Come get some great ideas from the many displays and activities to put to good use in the Spring.

This event is free to the public. Bring the family to participate and learn more about Earth Day and the activities of STEAM (Science, Technology, Engineering, Art-creativity and Math). There will be games, activities, informational booths and student projects on display. At around 1:30 PM the names of the Earth Day Poster Contest winners will be announced. The Expo will also have concessions, t-shirts and other related items for sale at the event to help support future Expos.

For more information on the STEAM Expo please check out the Great Falls Public Schools website: [www.gfps.k12.mt.us/content/stem](http://www.gfps.k12.mt.us/content/stem) or call Luke Diekhans, GFPS Environmental Education at (406) 268-7338, Shelly Kelly at (406) 268-6037.

## Earth Day Poster Contest

For information on guidelines and rules for the Earth Day Poster Contest go to [www.edposter.weebly.com](http://www.edposter.weebly.com). Put your thinking caps on and see what creative ideas you can come up with. Entries must be received by Wednesday, March 25, 2015. In addition to the prizes TBD, the City of Great Falls Sanitation Division will also be awarding the 1st place winners an Earth Day t-shirt. Students winning posters for 2014 and pictures from last year's event can be viewed below.

## Registration for the STEAM Expo - Earth Day Event

**Student Project registration will be open from January 5th through March 20th 2015.** To register your project go to <http://events.gfps.k12.mt.us>. If questions call Shelly Kelly at 268-6037 or email [shelly\\_kelly \[at\] gfps \[dot\] k12 \[dot\] mt \[dot\] us](mailto:shelly_kelly@gfps.k12.mt.us)

**Vendor registration will be open from February 2nd through March 20th 2015.** Currently there is only a selection link for student projects.

## Judges

The STEAM Expo is always looking for judges - if interested please contact Mary Rearden at (406) 268-7402.

## Thanks to all that make it happen!

Thanks to all of the students, vendors, sponsors, judges, GFPS staff and the STEAM Expo - Earth Day Committee that make it all happen. If you are interested in being a sponsor of this wonderful event please contact Luke Diekhans, Environmental Ed, GFPS (406) 268-7338.
