

## A Gift From the Heart

The demand of these beautiful handmade bracelet and earring sets has continued to rise. Due to this demand the jewelry is available for purchase again. All proceeds from the fundraiser will be used to help reduce adoption fees and assist with the cost of spaying and neutering animals during adoption promotions.

The bracelets and earrings are made with Czech glass beads and include two charms – a paw print and a heart that says “together we can make a difference.” The jewelry was handmade by the Shelter Sidekicks. The bracelets are \$20 and the earrings are \$10, the items can be purchased separately or as a set for \$25.

Quantities of this one-of-a-kind gift are limited, so buy yours today! The jewelry is on display and can be purchased at:

- April's Plush Puppies - 1137 Wire Mill Rd
- Petcetera - 1525 10th Ave S, #2
