

Park & Recreation Summer Guide 2013

Checkout What's Happening this Summer!

There is no excuse for not having something fun to do this summer - the Park & Recreation Department has something for everyone. This summer enjoy camps ranging from art camps, sports camps to outdoor adventure camps available through the Community Recreation Center. Cool off at the Natatorium (swimming lessons!), Electric City Water Park and neighborhood pools. This summer learn to play tennis or golf at one of the City's facilities. The community even has little league, ice skating, soccer, volleyball available!

Registration begins April 22 for all summer activities - Camp registration will be held at the Community Recreation Center, 801 2nd Avenue North and all other registration will be at the Park & Recreation Office 1700 River Drive North. Learn more in the [2013 Summer Guide](#).
