SPRING FLING ADOPTION EVENT

GREAT FALLS, Montana – Take time to enjoy the warm weather this weekend at the Great Falls Animal Shelter's Spring Fling Adoption Event and adopt a dog or cat for only \$25! The adoption event will be held on Saturday, April 27 from noon to 5 p.m. at both Gibson Park (Park Drive & 4th ST N) and the Great Falls Animal Shelter (1010 25th Ave NE). The \$25 adoption fee includes a rabies shot, vaccinations and the cost of spaying/neutering your new pet.

This event would not be possible without generous community donors who support the Shelter and its animals. Funds to help off-set adoption costs are being provided by the fundraising efforts of the Shelter Sidekicks and their Adoption Fund. The cost of spaying/neutering the dogs and cats is provided by the generous donors of the Shelter's Guardian Angel Fund and the Shelter's partnering veterinarians.

For more information about the Spring Fling Adoption Event contact the Great Falls Animal Shelter at 454-2276.
