

2013 Pet & Doll Parade

Shelter Sidekicks, Not Just Heroes for Shelter Animals

A group of the Shelter Sidekicks were out lending a helping hand to the pets of the 79th Annual Pet and Doll Parade. The Shelter Sidekicks are proud to be a part of such a wonderful tradition.

They quenched the thirst of numerous dogs, puppies and even ducks. The pets also received a dog biscuit snack after their long walk and their humans received temporary tattoos.

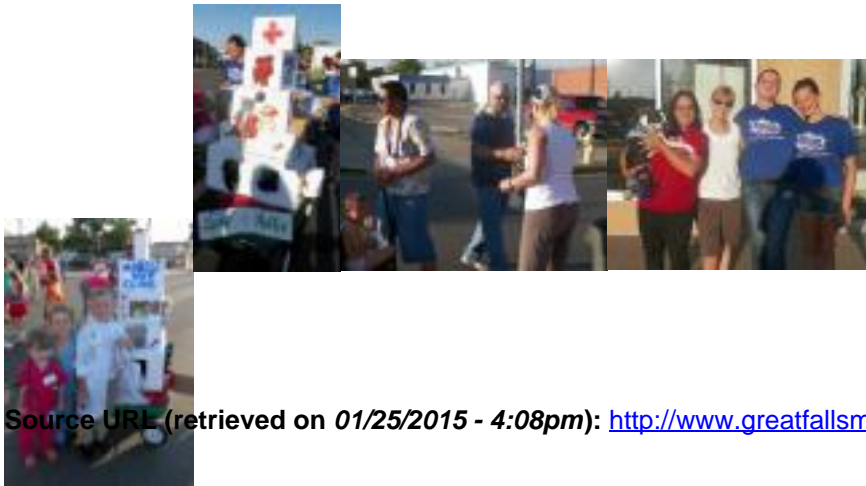

The concern in the welfare of all animals is always in the heart of a Shelter Sidekick - 'Changing lives, one animal at a time!'
