

We're Still at Cat-Pacity

For the rest of this week through Saturday, August 31, the Shelter is offering an EXTRA SPECIAL adoption promotion where cats and kittens can be adopted for only \$25! This is the perfect time to provide a forever home to a shelter pet.

The adoption fee for adult cats includes a rabies shot certificate, vaccinations and the cost of spaying/neutering the new pet. This is made possible by generous donors and fundraising efforts by our Shelter Sidekicks and working with the veterinarians through our Guardian Angel Program.

For kittens that are too young to be altered at this time, there is a \$50 spay/neuter refundable deposit. A rabies shot certificate will be included in the \$25 adoption fee.

Per Montana Code, all animals leaving a Montana shelter must be altered. Cats needing to be altered will be transported to a veterinarian that participates in the Shelter's Guardian Angel Program.
