WATER MAIN REPLACEMENT AND ROAD CLOSURE

GREAT FALLS, Montana – The City of Great Falls has contracted with Dick Anderson Construction to replace a water main in Crescent Drive from 6th Street Southwest to 10th Street Southwest. This work will require closing 6th Street Southwest at the intersection of 6th Street Southwest and Crescent Drive, by Strobel's Rental.

The work (road closure, detour and water main replacement) will be completed at night from 8 p.m. to 7 a.m. The contractor will begin setting up traffic controls (road closure, and detour) on Sunday, September 8 at 8 p.m. The detour route will be along 9th Avenue Southwest and Crescent Circle Drive.

This work is anticipated to run from September 8 through September 13, 2013. Your patience and consideration during this process is appreciated.
