WE'RE GEARING UP FOR THE NEW SCHOOL YEAR WITH A BACK TO SCHOOL ADOPTION BASH!

GREAT FALLS, Montana – Class is back in session and the Great Falls Animal Shelter is celebrating the new school year by running a “Back to School Adoption Bash!” The adoption promotion will run, September 16-30. ***And on Saturday, September 21 from noon until 5 p.m. an off-site adoption event will be taking place at the Great Falls Public Library.*** During the adoption bash dogs and cats can be adopted for only \$25! The adoption fee includes a rabies shot, vaccinations and the cost of spaying/neutering.

The Shelter Staff would like to thank the Animal Foundation for their assistance in promoting responsible pet ownership and reducing pet overpopulation in our community by providing low-cost spay/neuter services. Many of the dogs and cats included in the “Back to School Adoption Bash” will be altered at this weekend’s Spay of the Falls.

This adoption promotion would not be possible without the generous support of community donors and local veterinarians. Funds to help off-set adoption and spay/neuter costs are provided by the Shelter Sidekicks and the Adoption Fund and those who donate to the Guardian Angel Fund.
