

Electricity Purchase

Energy Purchasing Agreement

On October 24, 2013, the City Commission voted to enter into a 5 year electricity supply contract with PPL Treasure State. See the attached [agreement](#) posted on the City's website.

PPL Treasure State was the only supplier to submit a final proposal. PPL Treasure State offered prices for contracts ranging from 1 to 5 years in length. The 1 year price was \$39.05/MWh and the 5 year price was \$41.20/MWh. Prices for 2, 3 and 4 years were between the 1 year and 5 year prices. The City Commission selected the 5 year contract.

The City's power purchasing consultant has provided [electricity cost comparisons](#), the chart is attached below.
