CDBG COMMUNITY NEEDS PUBLIC HEARING

GREAT FALLS, Montana – On Tuesday, December 17, at 7 p.m. the public is invited to the City Commission Meeting (Commission Chambers, 2 Park Drive S) to participate in the Community Development Block Grant (CDBG) Community Needs Public Hearing. During the public hearing, members of the public are encouraged to offer comments and ideas on community issues that may be addressed with CDBG and Home Partnership Investment Program (HOME) funds.

Each year the City of Great Falls receives CDBG grant funds. Since its establishment in 1974, the CDBG program is one of the longest continuously run programs at the Department of Housing and Urban Development. The CDBG program provides communities with resources to address a wide range of unique community development needs.

Information gathered at the public hearing will be used to prioritize funding to address the needs of low and moderate income people areas that are addressed include housing, economic development, public facility improvements, public service and homeless assistance. In the past, the CDBG program has funded grant requests such as NeighborWorks programs, Habitat for Humanity, the emergency sewer and water repair program, ADA accessible improvements, Natatorium repairs, playground equipment, small business development, emergency housing, Meals on Wheels, scholarships for children for summer and after school programs, daycare scholarships for students at Paris Gibson High School as well as down payment assistance.

All comments and opinions regarding the best ways to use the grant funds are welcome. Comments may also be made regarding the performance of these grant programs. All members of the public are encouraged to attend. Handicap access into the public hearing is available on the north side of the building.
