TEMPORARY CLOSURE OF RIVER'S EDGE TRAIL

A portion of River's Edge Trail will be closed beginning Monday, December 16th for utility construction near Calumet Montana Refining. The trail connection from 10th St N.E. to the main trail will be closed until approximately December 31st. The main trail under the north end of the 10th Street Bridge will be narrowed but kept open during construction. The affected portion of trail will not be plowed during construction.
