## CALL FOR HISTORIC PRESERVATION AWARD NOMINATIONS!

**Great Falls, Montana** –There's a whole lot of preservation going on and the Great Falls-Cascade County Historic Preservation Advisory Commission wants to recognize the people and projects that are making it happen! Nominations for the 2014 Historic Preservation Awards are being accepted now through Tuesday, April 8, 2014.

Eligible projects need to have been completed within the past year and should substantially meet the Department of Interior Standards for Rehabilitation. Those standards cover repairs and alterations which return a property to efficient contemporary use while preserving historic, architectural and cultural values.

Nominations will also be considered for appropriate new construction in an historic district, for organizations and individuals who have made outstanding contributions to historic preservation or for craftsmen who have applied their skills to a significant preservation project.

Nomination forms are available in the Planning and Community Development Office at the Civic Center (2 Park Drive S, Room 112) and online at [www.greatfallsmt.net](http://www.greatfallsmt.net). Completed nomination forms must be submitted by 5 p.m.
