Alma's art is an eclectic blend of paintings, sculptures, and unique one-of-a-kind pieces. No medium is taboo to Alma, who uses recycled material to create some of her whimsical sculptures. In an exhibit by Alma you may see fabric art, paper sculptures, pieces made of old car doors, hats, paintings, and more. With Alma every exhibit is as unique as her art.

Attendees can participate in a variety of cool, fun experiments, keeping in theme with the Summer Reading program. Returning to entertain is Bat Honey, the popular puppeteer duo who delighted the crowd last year. Not only does the duo write their shows, but they also create the puppet, stage, and entire production.

This year Bat Honey will be presenting their new show Space Bacon. Join the space traveling rock star Tony Tanzanite and his friends as they search the galaxy for the source of a mysterious transmission. But they must hurry, for the rowdy space band The Gaseous Fumes in on the same trail. Whoever gets their first will claim the prize: the chance to rock the universe.

The summer reading party is sponsored by the Friends of the Great Falls Public Library and private donors.
