DATE September 3, 2002

ITEM: THREE-HUNDRED GALLON REFUSE CONTAINERS

INITIATED BY: PUBLIC WORKS DEPARTMENT

ACTION REQUESTED: AWARD BID

PRESENTED BY: JIM REARDEN, PUBLIC WORKS DIRECTOR

RECOMMENDATION:

Staff recommends that the City Commission award the bid for 270, three-hundred gallon refuse containers to Solid Waste Systems Inc. of Spokane, WA. for \$45,481.50.

MOTION:

I move that the City Commission award the bid for 270, three-hundred gallon refuse containers to Solid Waste Systems Inc. of Spokane, WA. for \$45,481.50.

SYNOPSIS:

The specifications were advertised three times in the Great Falls Tribune and mailed to twenty-seven prospective bidders. The bids were opened on August 21, 2002 with ten bidders responding.

Bids were requested for both assembled and unassembled containers. User lists were also requested. Olympic Sales of North Dakota submitted the lowest bid for El Monte three-hundred gallon refuse containers. Checking users with the list provided by Olympic Sales, staff discovered the City of Billings has experienced a high failure rate and problems with the El Monte container lids. Similarly our staff has documented problems with the El Monte containers the Sanitation Division purchased in 1998. The Plastic Master containers bid by Solid Waste Systems of Spokane require no assembly and have performed well for the Sanitation Division in the past. Users listed by Solid Waste Systems were also contacted and are satisfied with Plastic Master containers.

BACKGROUND:

These units will be used for residential solid waste collections. Funds for their purchase were provided in the FY 2002-03 Sanitation Services Budget.
