RECOMMENDATION:

Staff recommends the City Commission adopt Resolution No. 9296 authorizing partial loan repayment by one SID Subsidiary Debt Service Fund to the Revolving Fund

MOTION:

I move the City Commission adopt Resolution No. 9296

SYNOPSIS:

Analysis of the Special Improvement District (SID) Revolving Fund and Subsidiary Debt Service Funds show that one (1) SID subsidiary fund has cash available to repay a loan from the SID Revolving fund.

The projected June 30, 2003 SID Revolving Fund balance will be \$463,151. This is \$392,520 **above** the minimum balance required by State Statute, and \$141,239 **below** the amount allowed by IRS Arbitrage Standards related to maximum debt service reserves. Staff feels this balance provides adequate reserves within the SID Revolving Fund.

Existing SID policies, along with retained SID debt service and revolving fund balances, will continue to provide exceptional security for the City's SID bonded debt.

BACKGROUND

Maximum Reserves:

We have been advised by bond counsel that the IRS considers any SID Revolving Fund balance over 10% of the original issue amounts of current outstanding bonds to be excessive, and subject to arbitrage. Accordingly, the City is currently limited to a maximum balance of \$604,390 in the SID Revolving Fund.

Minimum Reserves:

§7-12-4222 (a)(ii) & (b) provides for deposits equal to 5% of the original SID bond issue amounts to secure the SID Revolving Fund and the authority to transfer monies or levy taxes on all taxable property in the city as necessary to increase the balance in the SID Revolving Fund to 5% of the then-outstanding special improvement district bonds and warrants secured by the revolving fund. Accordingly, the City is currently required to have a minimum balance of \$70,950 in the SID Revolving Fund.

Revolving Fund Lending Authority:

§7-12-4223 states: “Whenever any special improvement district bond . . . or any interest thereon shall be due and payable and there shall then be either no money or not sufficient money in the appropriate district fund with which to pay the same, an amount sufficient to make up the deficiency may, by order of the council be loaned by the revolving fund to such a district fund.”

Revolving Fund Surplus Release Authority:

§7-12-4227 states: “Whenever there is an amount in the revolving fund in excess of the amount deposited in the revolving fund under §7-12-4169(2) and in excess of 5% of the outstanding special improvement district bonds and warrants and the council considers any part of the excess to be greater than the amount necessary for payment or redemption of maturing bonds or warrants secured thereby or interest thereon, the council may: (1) by vote of all its members at a meeting called for that purpose order the amount of excess that is greater than the amount necessary for the payment or redemption of maturing bonds or warrants secured thereby or interest thereon or any part thereof transferred to the general fund of the city or town.”

§7-12-4229 authorizes a municipality to transfer the funds placed in the revolving fund as a result of §7-12-4169(2) to the general fund after final payment of the district’s bonds or warrants are paid.

SID Revolving Fund and SID Subsidiary Cash Balances:

The SID Revolving Fund and the SID debt service funds retain security as follows:

1. \$225,823 Projected ending cash balances in excess of current debt service obligations for active SIDs (excludes Revolving Fund loan proceeds).
2. \$463,151 SID Revolving Fund balance retained as additional security for outstanding bonds, which reflects a 32.64% coverage on Current SID Bonds Outstanding.
